BAEP 557: Commercialization Project

Planning Overview

NOTE: all steps must be undertaken in consultation with professor + experts / advisors

PHASE 1: CUSTOMER DISCOVERY / DEVELOPMENT

Objectives:

1. Identify your application + primary (beachhead) and target segment
2. Generate 3-4 refined customer / market hypotheses (*precise*, *quantifiable*, *testable*)
3. Identify interview sources (min. 5 per team member), including some decision-makers
4. Prepare draft interview guide (brief, open-ended questions) for review
5. Map end-user / patient journey (including physician role) + customer buying process (focus on payer / decision-maker) to revise / refine during interview process

Deadline (#1-4): Tuesday of Week 9 (to discuss in-class, not to submit)

Deadline (#5): Tuesday of Week 12, 12 noon

–Weeks 8-12: Conduct interviews + primary research (using AMI + Ryan + USC network)

MID-PROJECT PRESENTATION (≤5 SLIDES, 5 MINS.): INITIAL FINDINGS

Objectives:

1. Share summary data with class + experts / advisors
2. Review high-level patterns across customer responses*
3. Provide initial findings re market entry (hypotheses confirmed, rejected, revised)*

Deadline: Tuesday of Week 12 (4/4), 12 noon

PHASE 2: FINANCIALS + POSITIONING

Objectives:

1. Identify specific product positioning (application + segment)
2. Develop revenue model (3-year pro forma) for market launch, w/ inputs + assumptions
3. Address risks / challenges, especially regarding market demand and timing

Deadline: Tuesday of Week 14, 12 noon

FINAL PRESENTATION (≤10 SLIDES, 10 MINS.): GO-TO-MARKET STRATEGY + LAUNCH

Objectives:

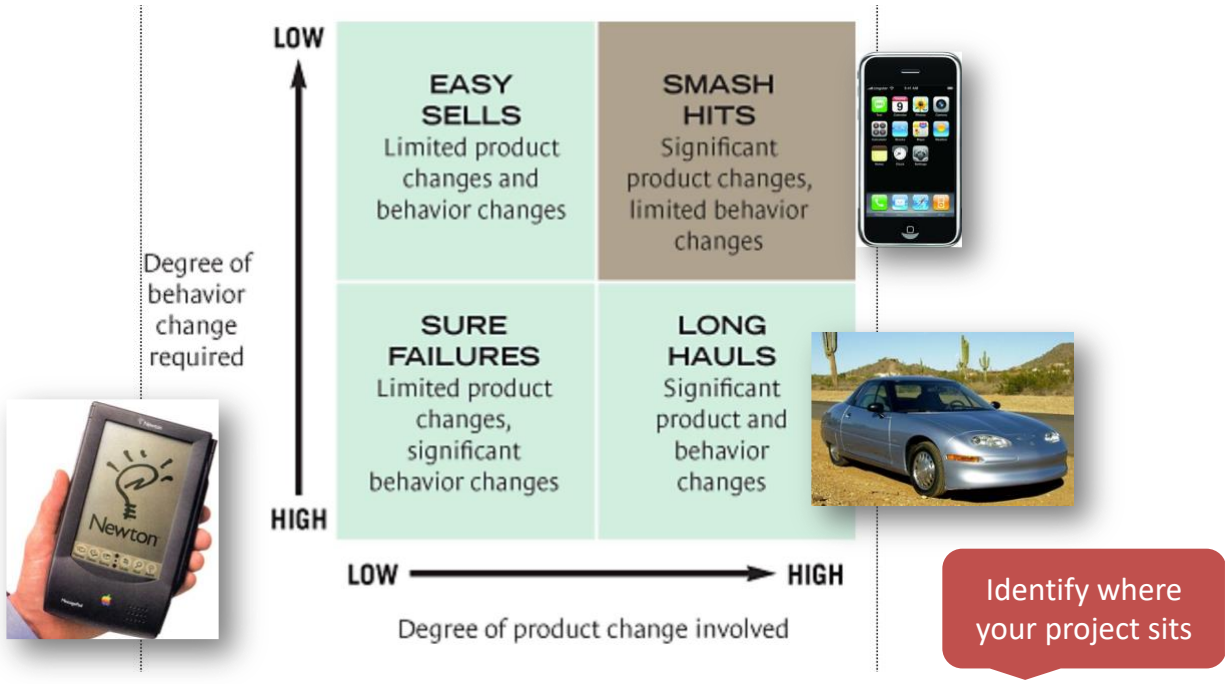

1. Review (final) customer-specific findings + segment strategy / product positioning
2. Provide market (TAM/SAM/SOM) + competitive analysis (re current *gold standard*)
3. Outline go-to-market strategy + risks / challenges (including possible no-go decision)**
4. Include customer interview data + secondary sources (in supporting docs, no write-up)
5. Complete self + team evaluations, comments

Deadline: Tuesday of Week 15 (4/25), 12 noon (presentations + Q&A during finals week)

*Use model from Week 5 PPT (below)

**Use model from Week 6 PPT (below)

Week 5 Model ("Eager Sellers & Stony Buyers")

Week 6 Model (Commercialization Options)

	Defense	Automotive	Manufacturing	Power Gen
Market Size				
Time to Market				
Value of Power				
Value Prop				
Gross Margin (vs. Base Index)
